

Wildfire and Climate Change

Public Meeting

Thursday 5 March 2020, 6-8 pm

Hornsby Girls High School

Edgeworth David Avenue, Hornsby

A short walk from Hornsby station

How can we
move faster
from this

Speakers

Mr Jim Casey is an experienced firefighter and a member of the Australian Firefighters Climate Alliance.

Professor Lesley Hughes is a member of the Climate Council, Distinguished Professor of Biology and Pro-Vice-Chancellor Research Integrity and Development at Macquarie University.

Dr Mark Diesendorf is a renewable energy expert and Honorary Associate Professor in Environment & Governance at UNSW Sydney.

There will be plenty of time for questions and discussion.

All welcome – free of charge
