5 November 2019

Dear Parents / Caregivers,

The first day back in 2020, Year 12 students will participate in a one day Year 12 camp as part of our positive education program. This initiative aims to further develop the skills and learning mindsets established through the *Building Strength* program undertaken by all of Year 11 in 2019. Students will participate in an inspirational day of team building activities and motivational talks by guest speaker and HGHS old girl (2013) Abi Rajkuma. Students will have a chance to reflect upon their goals and learning styles and refocus for the final three terms of their HSC studies.

The details of the event are as follows:

Date: 29/01/2020      Time: 8:40am - 4:20pm

Venue: Baden Powell Scout Camp, Pomona St, Pennant Hills

Other: Students are to make their own travel arrangements to and from the venue which is in easy walking distance from both Thornleigh and Pennant Hills stations. Please remind your daughter of the importance of safe travel, particularly in regard to using the overhead pedestrian bridges, at both stations, to cross Pennant Hills Road.

The **cost of the program is \$75.00** which includes guest speaker, activities, program materials, morning and afternoon tea and lunch. Students are advised to wear comfortable clothing, suitable for outdoor challenge – type activities. e.g. shorts, loose comfortable long pants/ t-shirt. Please remember to bring a hat, sunscreen and water bottle for the outdoor activity. Closed in footwear is also essential as we will be walking through bushland.

We are confident that your daughter will find this positive education program beneficial as she begins her Year 12 studies for 2020. Please return the attached **permission note and medical information to the front office** and make **payment of \$75.00 to the school bank or online by Friday 29 November 2019**. If there are any financial issues impacting your ability to pay, please contact the Principal, Dr Justin Briggs, in confidence, for student assistance.

Dr Justin Briggs  
Principal

Ms Gillian Rogers & Mr David Li  
Year Advisers
