Dear Parents and Carers,

Year 7 2025 and their parents are invited to attend **Year 7 Orientation Day on Tuesday 3 December 2024**. We will commence with a meeting in the School Hall at **9.30 am**. Parents needing to finalise their child's enrolment should go to the Central Quad and complete this prior to 9.30 am.

Parents will be invited into the hall for an information session regarding workload expectations, student wellbeing and expectations of high school. While parents are in this session, students will engage in activities including workshops in Drama, Music and PDHPE. Your child will also meet with a Year 10 Buddy.

Please collect your child from outside the hall at **12.40 pm**. A Student Handbook for Year 7 2024 will be distributed before you leave.

The schedule for the day is provided here:
