[Year 12 Video Advice from UAC – How to Apply](#)

Our quick video guide for Year 12 students applying for undergraduate courses through UAC.

[Steps to Apply to Uni – UAC](#)

If you're unsure about what you'd like to do when you finish school, and are wondering if university is for you, you're not alone. Just remember that uni isn't only for the brightest students or for those with a specific career path in mind. Uni is for anyone who's committed to reaching their full potential and wants to acquire the skills and experience to achieve their goals.

Keep your options open by taking the time to understand how the university application process works, how institutions use the ATAR to select students, non-ATAR pathways to tertiary study, and the many levels of financial support available to you.

University – Institutes

[University of Wollongong – Cyber Academy](#)

The first-of-its-kind, the Cyber Academy is an inclusive program combining nationally recognised qualifications with paid, on-the-job training. Develop a career in the fast-growing cyber security sector and meet the needs of a changing technological landscape.

You will fast-track your career in cyber security by completing a three-year professional apprenticeship program that offers:

- Industry experience. Work at Deloitte, an industry partner or a government department.
- Paid employment while you study.
- Ongoing coaching and mentoring
- Access to Deloitte's graduate program and bootcamps.
- Upon completion, you will have earned two qualifications: ICT50220 Diploma of Information Technology (Cyber Security) from TAFE NSW and a Bachelor of Computer Science (Cyber Security) from UOW.

University of Wollongong 2023 Scholarship Listing on Offer for Future Students – Scholarships Still Available!

UOW scholarships and grants demonstrate the University's commitment to excellence, equity and diversity.

- Future Student Scholarships
- Academic Excellence
- Academic
- Equity
- Community/Equity
- Community
- Corporate
- Work Integrated Learning
- Sporting

Applications still open for many scholarships. Some close end of August or early September!

Pathways to UOW

There are many preparation and pathway programs to help you develop the skills you need to begin your studies at UOW.

Whether you completed Year 12 recently or 10 years ago, whether you gained an ATAR or not, if you've been to TAFE, had a gap year (or three) or partially completed uni studies some time ago – we can help you find the right pathway to UOW.

Macquarie Leaders and Achievers Early Entry Scheme – Round 2 Closes Soon!

Apply By 31 August for Round 2

You could receive an early entry offer to study at Macquarie if you have performed well academically in Year 11 and demonstrate leadership skills, personal development and dedication through your extracurricular activities. To apply for Macquarie Leaders and Achievers entry scheme, you must meet both academic and leadership criteria.

University of Sydney – Test for Bachelor of Veterinary Biology and Doctor of Veterinary Medicine

All applicants are required to complete the Casper online testing (via Altus Suite) for the 2023/2024 admissions cycle.

Friday 15 September 2023 – 10am AEST

Sunday 15 October 2023 – 10am AEDT

Sunday 12 November 2023 – 10am AEDT

Tuesday 5 December 2023 – 7pm AEDT

Altus Suite is a standardised, multi-part online assessment that measures different competencies and attributes important for successful students and graduates of these programs. It is a 100–120 minute online, open-response situational judgment test.

University of Sydney – Open Night

14 September

Can't make it to Open Day?

Domestic students living in regional or interstate areas are invited to our online Open Night.

Find out about our new Regional and Remote Entry Scheme, our new central scholarship application process as well as other University of Sydney highlights.

You'll then have the chance to chat with staff from our faculties, admissions, scholarships, and accommodation, and have all your questions answered about life in Sydney.

University of Sydney Webinar MySydney Entry and Scholarship Scheme

12 September

Find out how you can enter your dream degree with the MySydney Entry and Scholarship Scheme for students residing in low socio-economic areas. Hear about the great benefits offered, including entry on a reduced ATAR, a \$8,500 per annum scholarship and a range of ongoing support throughout your studies. Find out what you need to know about eligibility criteria, how to apply, frequently asked questions and more!

University of Sydney School of Project Management 2023 Spring Camp Expression of Interest – Closing Soon!

Expression of Interest Closes 1 September

This face to face in-person program offers an excellent opportunity for high school students to learn about project management and where this dynamic field can take them.

Students develop awareness of project management as a discipline, career pathways, our Bachelor of Project Management degree, and hear from our students and alumni about their experience at the University of Sydney.

They also participate in interactive workshops with our academics and experience a master class.

The program includes talks from industry professionals and in the past has included site tours to Google and Australia's leading technology company, Atlassian, to learn more about projects in action.

UTS Jumbunna Entry Program and Applications Now Open

Applications for 2024 now open

At Jumbunna, the ATAR is not the primary measure of success. Our Jumbunna Pathways Program into University is open to recent-school leavers (with or without an ATAR); non-school leavers; people with TAFE, College or previous University qualifications. The Jumbunna Pathways Program offers Aboriginal and/or Torres Strait Islander students an opportunity to enter higher education based on education, previous life and work experience.

UTS Women in Engineering, IT and Construction

If you're female and have applied for selected engineering, information technology or construction project management courses, you're eligible to receive 10 adjustment points through both UAC and the Early Entry Program.

These adjustment points are automatically applied (no additional application required) and contribute to your selection rank.

Degrees range from Computing degrees, Games Development, IT, Engineering and Construction

UTS – Support your UAC application with the Engineering and IT Questionnaire

If you fall short of the selection rank requirement by one to three points, we'll still consider your application if you submit the Engineering and IT Questionnaire and demonstrate a strong motivation to study engineering or IT.

You achieved a minimum selection rank of 75. This selection rank cut-off includes your raw ATAR and adjustment factors. You've listed UTS Engineering or IT as your first preference in UAC.

Download this template and input your responses to these three questions where asked:

Why are you interested in studying at UTS and what do you expect to gain from your experience in the Faculty of Engineering and IT?

Which of your personal attributes and skills will assist you most in your future career?

Describe something you have created or designed and how it is related to your preferred course.

OR

Share your favourite example of engineering or technology and why you think it is amazing.

UTS – Bachelor of Information Technology (BIT) Co-operative Scholarship

Applications Close 3 September

The BIT is a highly competitive course – it's been designed with future leaders in mind. To get in, you'll need to demonstrate how you stand out from the crowd.

Successful students generally achieve a Selection Rank of 88–99.95; however, your ATAR is just one component of your application.

The interview is all about showing us who you are. You'll need to demonstrate that you're highly motivated and have what it takes to progress to a senior management career.

UTS Diploma of Animation Production

Do you have a passion for visual arts, drawing and storytelling? Want to apply your creativity in a growth industry that offers a wide range of dynamic and ambitious employment opportunities? Start your journey to UTS animation production here.

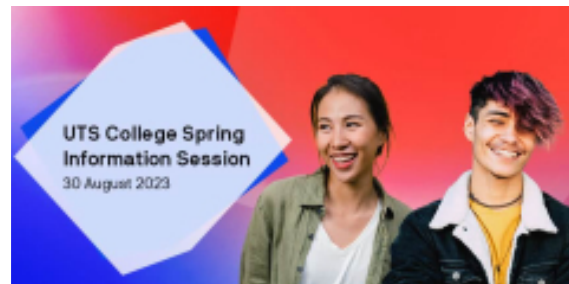

Our animation production program is designed to equip you with the skills you'll need for success at university, and in your future career.

UTS College Spring Information Session

30 August

Not everyone chooses the same path after finishing the HSC. You might have taken a gap year, started a career or studied elsewhere. But if your heart is still set on UTS, UTS College can help you find a way in.

Enrol in a UTS College diploma this September and you could start second year at UTS in 2024.

Brent Street Spring Camp – Wollongong Pop-Up Workshop and Audition

3 October

Surprise! Wollongong – we're headed your way in the School Holidays!

Our sell-out Australian and New Zealand tour hit up 20 cities across the continent in April this year... and we didn't want all of our Illawarra friends to miss out on the fun!

We're bringing our signature Brent Street training to you on Tuesday 3rd October 2023, where you can take class with our choreographers, meet and chat with Lucas, audition for our 2024 Full Time courses AND take your shot at a scholarship!

The day kicks off at 9:30am with a 30min registration. Please come with your ticket receipt ready. This is followed by 3x 1 hour workshops (TEACHERS TO BE ANNOUNCED!), an industry Q&A session with Lucas and plenty of photo opportunities! Those who opt into an audition for our Full Time courses (Performing Arts, Contemporary or Musical Theatre) will participate in a short, 5-10min interview after the workshops. Typically, auditionees finish 1hr after the non-auditionees.

We're beyond excited to be hosted by the amazing TJS Dance Academy, located at 5 Victoria Street. A huge thank you to Tarah and her team for their incredible studio space.
