[What is the ATAR?](#)

The ATAR is a rank, not a mark.

The Australian Tertiary Admission Rank (ATAR) is a number between 0.00 and 99.95 that indicates a student's position relative to all the students in their age group (ie all 16 to 20 year olds in NSW). So, an ATAR of 80.00 means that you are 20 per cent from the top of your age group (not your Year 12 group).

Universities use the ATAR to help them select students for their courses and admission to most tertiary courses is based on your selection rank (your ATAR + any applicable adjustments). Most universities also use other criteria when selecting students (eg a personal statement, a questionnaire, a portfolio of work, an audition, an interview or a test).

Reminder – UAC Let's Chat – Applying to the Schools Recommendation Scheme

6 September

While the ATAR is still the main selection tool used by most universities, there are other ways for you to show that you're ready to succeed at uni. Many institutions have one or more early offer schemes for Year 12 students. Through these schemes, institutions assess you using criteria other than (or in addition to) your ATAR.

We'll give you an overview of the Schools Recommendation Scheme (SRS) and discuss:

- how to apply
- whether you're guaranteed early entry if you apply
- other universities' direct early entry schemes
- how many early entry schemes you can apply for.

University – Institutes

The University of Sydney Inspired by Business Gadigal Scholarship

An undergraduate scholarship valued up to \$40,000 scholarship to support talented Aboriginal or Torres Strait Islander students to study an undergraduate business degree.

University of Sydney Webinar Demystifying the Teacher Personal Statement!

20 September

If you're applying to study a teacher education degree at the University of Sydney (excluding early childhood), you will be prompted to complete a personal statement questionnaire during the application process. The statement allows us to assess your suitability for teaching against the non-academic capabilities common in successful teachers, as those attributes and motivations are common to effective teachers. Writing your statement shouldn't be a daunting – in fact, it's a great opportunity for you to think deeply about why you want to become a teacher and discover a little bit about yourself along the way!

Join the School of Education and Social Work for an interactive session where we will take you through the process step by step, leaving you confident and prepared when it comes time to submit your personal statement.

UTS – Round 2 for Applications for Bachelor of Accounting 2024

The closing dates for applications to the 2024 Intake of the Bachelor of Accounting course are as follows:

Round 2 Closing Date – Friday 13 October 2023 by 11.59pm

In person half-day interviews for both rounds will be held Monday-Friday 6-10 November 2023.

These interviews are for applicants who are considering Bachelor of Accounting as a course preference after the close of on-time UAC applications.
